RECEIVED CLERK'S OFFICE  
2017 MAR - 7 A 9:09  
DISTRICT COURT  
DISTRICT OF SOUTH CAROLINA  
CHARLESTON, SC

Dear Sir or Madam:

This letter addresses the following issues:

1. Charleston Federal Prosecutor Sean Kittrell has both failed to respond to my 2255 motion by the February 3, 2017 deadline (30 days), and he has failed to ask for an extension.
2. Therefore, Federal Prosecutor Sean Kittrell, has forfeited his right to respond to my petition in my 2255 motion.
3. Therefore, my legal rights have been compromised.
4. Additionally, if Federal Prosecutor Sean Kittrell were to respond at any future date, any such response would constitute a violation of my 6<sup>th</sup> Amendment Right to a Speedy Trial!
5. In conclusion, I should be released immediately.
6. Upon such release, I would agree to cooperate fully with any Federal Probation officer this Court might appoint.
7. I would continue mental health care with appropriate psychiatric, psychological, counseling, and any other health care providers the Probation Officer might recommend.

Very truly yours,

*Alice Boland*
